Docket #98N-1038
Dockets Management Branch (HFA-305)
Food and Drug Administration
5630 Fishers Lane, Room 1061
Rockville, MD. 20852

FDA:

As a consumer, I want any product that is irradiated or contains an irradiated ingredient to be conspicuously labeled either with the word 'radiation' or irradiated' and with the radura logo, the international irradiation symbol.

Anything less would be inaccurate, misleading and irresponsible.

In addition, this requirement should not expire at *any* time.

Sincerely,

Shirley Clark
